Requesting Mass for a Particular Intention It is a long-established and laudable Catholic custom to ask that Mass be offered for a particular intention. Every Mass is offered for the glory of God and the salvation of the world; nevertheless, the priest may also offer the Mass for a specific intention. Mass intentions are published in the newsletter. Anyone may request that Mass be offered for a particular intention. Masses are commonly offered for the welfare of an individual or family, in thanksgiving, for a special need, or for the repose of the soul of someone who has died. When requesting a Mass, it is customary to make an offering as a sign of one's particular participation in the offering of the Mass and in support of the Church's ministry. This offering is not a payment for the Mass, and no one is obliged to make one. The suggested offering is £10; some give less, some give more, and some are unable to give anything. Please never feel that a Mass cannot be offered for your intention because of financial difficulty. The grace of the Mass is never bought or sold. Mass intention envelopes are available in the porch.

Counters needed. The role involves cash counting on a Monday (or other day) of that past weekend's collections; it takes roughly 45 mins and is very simple and no computer skills are needed. Then it must be banked ideally on that day either at the local post office (triangle) or direct at a NatWest Bank. The counters are on a rota so it is usually once every 5 to 6 weeks depending on how many volunteers we receive. Please contact Micheline 07956317309

Young Readers We are still looking for some young readers (secondary school age) for the rota. If you would like to read, please let Fr Alfred know. There is a rota so it would only be every 4 to 6 weeks. Please take a form from the back of the church.
