**Mission appeal weekend 2<sup>nd</sup> /3<sup>rd</sup> September** The Society of African Missions (SMA) is committed to preaching the Good News of Jesus Christ chiefly in Africa and to people of African origin. They regard solidarity with the poor and the powerless, commitment to reading the signs of the times, activities for Justice and Peace, dedication to building a better world, including care for the environment, as constitutive dimensions of witnessing to the Good News. They do this by education, health care, development projects and conscientisation for justice. We also help in caring for African immigrants in Europe and the USA and draw attention to those structures that oppress them and other people of the Third World.
