Requesting Mass for a Particular Intention It is a long-established and laudable Catholic custom to ask that Mass be offered for a particular intention. Every Mass is offered for the glory of God and the salvation of the world; nevertheless, the priest may also offer the Mass for a specific intention. Mass intentions are published in the newsletter. Anyone may request that Mass be offered for a particular intention. Masses are commonly offered for the welfare of an individual or family, in thanksgiving, for a special need, or for the repose of the soul of someone who has died. When requesting a Mass, it is customary to make an offering as a sign of one's particular participation in the offering of the Mass and in support of the Church's ministry. This offering is not a payment for the Mass, and no one is obliged to make one. The suggested offering is £10; some give less, some give more, and some are unable to give anything. Please never feel that a Mass cannot be offered for your intention because of financial difficulty. The grace of the Mass is never bought or sold. Mass intention envelopes are available in the porch.

Reminder of Daily Catholic Habits When You Enter the Church.
1. Use Holy Water. Dip your fingers in the holy water font at the entrance and make the Sign of the Cross. This recalls your Baptism and your identity as a child of God.
2. Genuflect toward the tabernacle, bend your right knee to the ground before entering your pew, acknowledging Christ truly present in the Eucharist. Locate the tabernacle, direct your reverence toward the place where the Blessed Sacrament is reserved.
3. Maintain silence. The Church is a house of prayer. Avoid conversation; recollect yourself interiorly and after Mass we have plenty of time outside the Church and in the hall to catch up for the week.
4. Remember, some parishioners are praying or lighting a candle after Mass. So, SILENCE is an act of charity toward others. Turn off your phones. A lit screen or notification during prayer distracts others and breaks the atmosphere of reverence.
5. Avoid food, gum, and drinks. The church is not a casual space; eating disrupts prayer and breaks the Eucharistic fast. Offer a brief prayer. Once seated, take a moment to thank God, offer your intentions, or prepare your heart for worship. These Habits are important for all of us. The actions are simple, but they form the foundation of Catholic reverence. They express what we believe as Catholics, that the church is not merely a building but a dwelling place of Christ Himself. Entering with intention shapes the heart for prayer and strengthens faith through small, repeated gestures. Let us support one another in this regard. Peace be with you!
